State of Vermont Incentives

Member elects to assign WEC EV / or PHEV incentive towards vehicle qualifying for current State of Vermont incentive offer. If the member wants the WEC incentive applied towards the purchase/lease of a qualifying EV or PHEV make this selection here. Doing so will mean WEC is authorized to pay the 2024 WEC incentive to the dealer the member specifies (and not to the member).

See <https://www.driveelectricvt.com/incentives>
